Hoffer Glass is a local full service glass company and the largest manufacturer of Nordic vinyl fiberglass windows. We offer a wide variety of products including windows, doors, patio glass, and saunas to commercial businesses and residents.

Locally owned and operated, the Cruikshank family first opened the doors of Hoffer Glass in Fairbanks, Alaska during the territory days in 1958. The company is owned, operated, and managed by Lisa Bailey (Cruikshank) since 1981.

The Cruikshank family and Hoffer Glass understand the challenges of living in interior Alaska. We work hard to provide the best products and customer service.
