

Matthew Sturm '83, '89

along "Background" or "mushroom" Glacier

Mushroom Glacier in the
Background
Taylor - Peterson West. I
climb - March, 1911

The Belmore Division party has
been attempting to climb for
two months, without being
allowed from. They went out on
a thin trail (July 18, 1912)
in time of year of open
water, and gusts and
various snow-slides
