

EMERITI RECOGNITION

DR. A.J. GHARRETT

PROFESSOR OF FISHERIES, EMERITUS

Dr. A.J. Gharrett joined the University of Alaska Fairbanks in 1976 to teach, research and publicize fisheries.

He is internationally recognized for his leadership in the field of genetic diversity and fisheries management. His research has been published in numerous journals and books, and he has supervised many graduate students. He is a past president of the Alaska Fisheries Society and the American Fisheries Society. In 2006, he received the Distinguished Service Award from the University of Alaska Fairbanks.
