

UAF Master Planning Committee
Agenda

Thursday, May 27, 1999; 9 - 11 a.m.
Chancellor's Conference Room,
Signers' Hall

1. Chair's Report

- Our recommendations were forwarded to the chancellor on May 13, 1999. The chancellor has reviewed these recommendations, and in a letter of May 18 stated that "I support the recommendations of the MPC for the Toolik Field Station upgrades as described in the May 13, 1999 memo."
- I remind you that the L. T. Commons issue is still alive.
- Has anyone asked you about what is going to be done to malfunction junction?

2. Museum Expansion

Discussion with the architect.

3. Recommendations regarding the Brooks Building

Review present draft of recommendations and approve

4. Relocation of Dumpsters

Review present draft of recommendations

8. Bulletized '91 Master Plan
