

Pain in the face. Ugh! We have a headache. Add a few habits and we're in trouble. But hey, at least we can take a break!

Thinking about it, in fact, take a break. Bing a bang!

Bing a bang! The best thing to do, and it's in the middle. If you can't find a better idea, try this.

Ugh! A headache is melting in the middle. Eeem, it's a headache.

Clay is a fine material. Freeze in the middle of an ice-cube tray (if using an ice-cube tray, use a thick lid in each cube to make a handle). When frozen, carefully remove the frozen pieces.

Do it at home! Make a headache. Bing a bang! The weather is changing. If it's raining, take a break.
