Come to RAHI !!!"

White Mountain, Alaska, which is located on the Seward Peninsula. I have lived here all my life and hope to leave to attend college at UAF. At college, I will probably do computer science. RAHI 2000 was the best summer that I have ever had. I was able to go hunting, fishing and biking. My favorite part of RAHI was meeting new people and going to Twin Bears. My least favorite part of RAHI is having to leave. I am from Seward Peninsula.

Meet the Dorm Staff of BAH 2020

My name is Teresa Flores. I am a 3rd year UAF student working towards a B.S. in Psychology. This year I will be working as a Tutor Counselor and I enjoyed it immensely. I have a lot of interests ranging from reading to dancing. I hate to talk about myself so I really don't know what to tell you. I think of myself as intelligent, sophisticated and outgoing. My best quality would have to be that I am a perfectionist. I do the best things. I never give up and I always have a response for everything. A few words of the wise...

Never procrastinate it will only lead to stress. Do what you got to do and do it right. Never think that your ideas are silly. Live your life like there is no tomorrow. Collect the unique and beautiful things that you can find.

Terence Erwin is that cute guy that you see but in a different way. He is gonna getcha, getcha...

My name is "Dzhamoňa" I. Nepaczi and this is my second year of college. I am the family leader (mom) of the blanket forties program.
