prohibited.... Honesty is a primary responsibility of you and every other UAF student. The following are common guidelines regarding academic integrity:

- x Students will not collaborate on any quizzes or exams that will contribute to their grade in a course, unless permission is granted by the instructor of the course. Only those materials permitted by the instructor may be used to assist in quizzes and examinations.
- x Students will not represent the work of others as their own. A student will attribute the source of information not original with himself or herself (direct quotes or paraphrases) in compositions, theses and other reports.
- x No work submitted for one course may be submitted for credit in another course without the explicit approval of both instructors.”

Grade Breakdown
