## Chapter III: Faculty Evaluation

### A. Purpose

The purpose of this chapter is to provide a clear and concise overview of the faculty evaluation process. This process is designed to ensure that faculty members are evaluated fairly and consistently, and that the results are used to improve the quality of instruction and research. The evaluation process is a continuous one, and it is important that all faculty members understand their role in this process. The purpose of this chapter is to provide a clear and concise overview of the faculty evaluation process. This process is designed to ensure that faculty members are evaluated fairly and consistently, and that the results are used to improve the quality of instruction and research. The evaluation process is a continuous one, and it is important that all faculty members understand their role in this process.
