 1-800-893-8850 Participants' PIN: 1109306 Convener's PIN (Rainer): 1109371

1. Approve minutes of last meeting
2. Report from J Rosenberg (GERC)
3. Approval of new minor: interdisciplinary studies (see below slightly modified version)
 1. Contact the Academic Advising Center at 907-46396 or 1888-823-8780 for materials and procedures.
 2. Prepare and submit a draft declaration of interdisciplinary minor and submit it electronically to the Academic Advising Center at uaf.advising@alaska.edu in person at 509 Gruening Building. This form asks the student to provide a title for their minor, briefly describe the body of knowledge and skills intended to fulfill the minor, including courses specifying the knowledge and skills relevant to the minor title (for example, Food Science minor including relevant coursework from transfer credits in Food Science from a regionally accredited university, as well as credits from chemistry, fisheries or natural resources management, and biological sciences). Interdisciplinary minor cannot be titled the same as an existing minor and must demonstrate a cohesive body of knowledge and skills. The approved title will appear on the student's transcript
 3. Three faculty approved by the Dean of General Studies will serve as the interdisciplinary minor committee. This committee will ensure that an appropriate and cohesive body of knowledge and skills is addressed in the planned minor, ensure that the interdisciplinary minor does not overlap with an existing minor, and discuss alternatives with the student as needed.
